The Waratah, one of Australia's most iconic native flowers, isn't just striking - it's resilient too. Its bold red blooms are actually made up of hundreds of tiny individual flowers clustered together and after bushfires, Waratah plants often regenerate quickly, symbolising strength and renewal in the Australian landscape.

Cocktails

Gin Fizz

Balter Brewing Famous Gin Fizz - Never Never Gin, French grapefruit juice.

Hibiscus Wildflower

A vibrant and refreshing blend of white rum (or vodka) with zesty lime juice and floral hibiscus syrup, topped with crisp sparkling wine for a light, bubbly finish. This elegant cocktail balances bright citrus with delicate floral notes, creating a refreshing and beautifully aromatic drink.

Blue Butterfly Margarita

This lively blend combines delicate prosecco with butterfly pea-infused tequila, creating a mesmerising hue that transforms with the addition of fresh lime juice. Hints of orange from premium triple sec and a touch of agave syrup balance the citrus, delivering a bright, zesty finish with gentle floral undertones.

Pimm's Cup

Pimm's No.1 is lifted with sparkling lemonade and ginger ale, creating a light, effervescent base with a gentle hint of spice. Infused with fresh cucumber slices, juicy strawberries, and vibrant orange, each sip delivers a crisp, cooling burst of summer flavours. Fragrant mint leaves add a refreshing herbal finish, making this the perfect easy-drinking crowd pleaser for warm days.

Aperol Spritz

Aperol's signature notes of orange zest and gentle botanicals are brightened with crisp prosecco and lifted by a splash of soda water for a perfectly balanced sparkle. Fresh orange wheels enhance the citrus profile, while a subtle garnish of green olives adds an intriguing savoury twist.

Mojito

Fresh mint leaves and zesty lime wedges are muddled to release bright, aromatic oils, then balanced with smooth white rum and a touch of sugar syrup for just the right hint of sweetness. Finished with sparkling soda water, this crisp and invigorating punch delivers a lively burst of citrus and cooling mint in every sip.

Many of our cocktails are inspired by Australia's incredible native ingredients -like finger limes, often called "bush caviar" for their burst of citrus pearls, and fragrant lemon myrtle, known as one of the most flavourful native herbs in the world. These unique botanicals have been used for thousands of years by Indigenous Australians and now bring a fresh, distinctly local twist to every sip.

The Hibiscus Wildflower cocktail was named in tribute to our resident wildflower gardens - hibiscus hand-pressed and paired with local gin, carrying both the colour and spirit of the Sanctuary.

Mocktails

Appletini

Light, crisp, and beautifully refreshing, this vibrant punch blends fresh apple juice with a splash of zesty lime for a perfectly balanced sweet-tart profile. Sparkling water adds a gentle effervescence, lifting the flavours for an easy-drinking finish. A delicate float of cranberry juice creates a soft blush of colour, while fresh mint garnish enhances the drink with a cool, aromatic touch.

Hibiscus Spritz

Delicate hibiscus tea forms the base, layered with house-made hibiscus syrup for a subtle sweetness and a rich ruby hue. Fresh raspberries add a juicy, tart edge, beautifully balanced by zesty lemon juice. Finished with sparkling water for a light, effervescent lift, this drink is both refreshing and elegantly complex.

Tropical Mocktail

Tart cranberry juice forms the base, layered with sweet pineapple and fresh orange for a juicy, citrus-forward profile. A splash of lime juice adds a refreshing zing, while ginger ale—added just before serving—brings a lively sparkle and gentle spice.
